About HMS

HMS is a leading provider of cost containment solutions in the U.S. healthcare marketplace. Using innovative technology as well as extensive data services and powerful analytics, the Company delivers coordination of benefits, payment integrity, and care management and consumer engagement solutions to help healthcare payers improve financial performance and clinical outcomes. Together our various services help customers recover improper payments; prevent future improper payments; reduce fraud, waste and abuse; better manage the care their members receive; engage healthcare consumers to improve clinical outcomes and increase retention; and achieve regulatory compliance. The Company serves commercial health plans, state government agencies, federal programs, at-risk providers, pharmacy benefit managers, employers and other healthcare payers and sponsors. The Company also serves as a subcontractor for certain business outsourcing and technology firms.
