About HMS

HMS is a leading provider of cost containment solutions in the U.S. healthcare marketplace. Using innovative technology as well as extensive data services and powerful analytics, the Company delivers coordination of benefits, payment integrity, and total population management solutions (including care management, consumer engagement and risk analytics) to help customers recover improper payments; prevent future inaccurate payments; reduce fraud, waste and abuse; effectively engage their members and better manage the care they receive; and ensure regulatory compliance. The Company serves commercial health plans, state government agencies, federal programs, at-risk providers, pharmacy benefit managers and employers.
